

571—22.3(456A,483A) Project scope. This program will provide cost-sharing assistance to landowners to establish farmstead and feedlot shelterbelts, temporary winter habitat plots, and habitat practices designed to implement the pheasant and quail restoration program throughout the state. The purpose of these practices is to assist Iowa's landowners with developing and enhancing wildlife habitat on private lands in cooperation with other state, federal, and county agencies as well as conservation organizations.
